

**Corresponding with
your Osanidde child...**

***If you would like, you can
send your child personal letters
of encouragement, small gifts
or your own family photo.***

A note about personal gifts:

For cultural reasons, please avoid “army-type” toys or guns, monsters, immodest photos, or anything evolutionary or anti-Christian.

(Bible storybooks, Bibles - *English, Large Print, New King James Version*, t-shirts, shorts, flip-flops, art supplies or stickers are encouraged.)

Keep in mind that the children’s primary language is Luganda, although they are learning to speak, read, and write in English. It is difficult and time-consuming for the “Uncles” to assist all the children in responding to personal letters. We ask that you please not “expect” your child to reply, but know that every personal letter is highly treasured and appreciated -- along with every prayer!

Send Personal Letters Directly to:
