## Dear Lord God,

I love You so much,  
And I thank You for all You've given me.  
You've blessed me, big time.  
And I want to be a blessing to others . . . right now.

I'm seeing all these huge needs of orphans.  
The needs are so overwhelming.  
And these are real kids,  
And they are in real need . . . right now.

I don't want to just ignore these huge problems.  
I don't want to just wait . . . until "someday" in the future.  
I really want to do something to help . . . right now.

## Show me what I can do . . .

Please help me, Lord . . .  
To get out of my comfort-zone . . .  
And to be moved with Your compassion and love.  
Help me to make a difference in the lives of orphan children.  
For a cause that's grieving your heart . . . right now.

God, I know You're not looking for my "strengths" or "talents" . . .  
And I know You can help with my "weaknesses" and "excuses" . . .  
You're just asking me to have a willing heart, and to trust You.  
And to follow You with obedience, and love, and faith.

Help me to work "with" You . . . and not just by my own "self" efforts.  
And if any good comes of "my" cause, may it be for Your GLORY.  
'Cause it'll ALL be by Your GRACE.

In Jesus' Name,  
Amen.

## I can share the vision for myCause4orphans, along with the 4 minute video, 4 facts, and 4 verses.

- \*# of ORPHANS: It is estimated between 143,000,000 and 210,000,000 children are orphans. (Recent UNICEF report. To give you an idea of the enormity of this need and number of orphans the approx. population of the US is 300,000,000, and the population of Russia is 141,800,000.)
- \*AFRICA: Every 15 seconds, another child in AFRICA becomes an AIDS orphan. (At the end of every year, 2,102,400 more children will become orphans. in Africa alone.) Think: "D-I-N-C-S". There are more orphans in Sub-Saharan Africa than ALL of the children in Denmark, Ireland, Norway, Canada, and Sweden - combined!
- \*EVERY DAY, 5,760 more children in the world become orphans.
- \*EVERY 2.2 SECONDS, another orphan ages out, with no family and no home. Older orphans are vulnerable . . . to abuse, suicide, prostitution, slavery, becoming child soldiers, immorality (and as a result, vulnerable to AIDS and disease). Yet, as orphans are rescued, saved and brought into God's Kingdom, the enemy's plans are thwarted: instead, these older orphans can live happy, productive lives and help to advance God's cause and mission purposes!

"Defend the cause of the weak and the fatherless; Maintain the rights of the poor and oppressed. Deliver the weak and needy from the hand of the wicked." Ps 82:3-4
