## ORPHAN Statistics

(because each ONE matters . . . )

1. • **# of ORPHANS: It is estimated between 143,000,000 and 210,000,000 children are orphans.**

(Recent UNICEF report. To give you an idea of the enormity of this need and number of orphans the approx. population of the US is 300,000,000; and the population of Russia is 141,800,000.)

2. • **AFRICA: Every 15 seconds, another child in AFRICA becomes an AIDS orphan.**

(At the end of every year, 2,102,400 more children will become orphans, in Africa alone.) Think: “**D-I-N-C-S**”. There are more orphan children in Sub-Sahara Africa than ALL of the children in Denmark, Ireland, Norway, Canada, and Sweden - combined!

3. • **EVERY DAY, 5,760 more children in the world become orphans.**

4. • **EVERY 2.2 SECONDS, another orphan ages out, with no family and no home.**

Older orphans are vulnerable . . . to abuse, suicide, prostitution, slavery, becoming child soldiers, immorality (and as a result, vulnerable to AIDS and disease). Yet, as orphans are rescued, saved and brought into God’s Kingdom, the enemy’s plans are thwarted; instead, these older orphans can live happy, productive lives and help to advance God’s cause and mission purposes!

## ORPHAN Verses

(because GOD cares . . . )

“Pure and undefiled religion before God and the Father is this: to visit widows and orphans in their troubles, and to keep oneself unspotted from the world.”

-- James 1:27

“Defend the cause of the weak and the fatherless; Maintain the rights of the poor and oppressed. Deliver the weak and needy from the hand of the wicked.”

--Psalm 82:3-4

Open your mouth for the speechless,  
In the cause of all who are appointed to die.  
Open your mouth, judge righteously, And  
plead the cause of the poor and needy.

--Proverbs 31:8-9

“You shall not afflict any widow or fatherless child. If you afflict them in any way, and they cry at all to Me, I will surely hear their cry;
